

The memory of

Kamizumou
Japanese Traditional Game

7/14

紙相撲大会

What was the most interesting point of the event?

We have a tournament for the kamizumou.
And also, the tsukune is very delicious.

Creating the paper rikishi, while chatting with other students.

色々な国の人と交流できるところ。

相撲を擬似的に体験できるところ。

The tournament, specially when it wasn't clear who won the match and the professors had to decide.

Please tell us how the event can be improved. Your frank opinion is appreciated.

もう少し色々な人と対戦したかった。

Maybe the event is too short, the losing ones only have a chance to play like 2 times or 3 times. And also we only have a chance to interact with few people of the same table only. But it's my opinion, maybe the others have tight schedule so they cannot stay for too long.

Not sure, it was pretty well organized so you are already doing a great job.

Thanks to everyone for the participation! We appreciate your feedback and we will keep improving. Please be looking forward to a more exciting event in next quarter!
