

# Organic change through dialogue

Guest speaker: M. Osawa + CREATURE of “Mommy-Ta”, dialoguer, Super-Zaiyajin,  
YoHacker, Ukkari-Religion

A lot of professors refer to the importance of dialogue in various situations such as dispute settlement, home, medical and education. Why “dialogue” is important? COVID-19 makes us put in a place where we couldn’t imagine before. After the previous premise and our plans were collapsed, the invisible problems confront in front of us today. No one haven’t seen the fact our world becomes chaos. To resolve them in terms of analysis will hit a ceiling. Let’s explore the brand-new world and possibility of “dialogue”.
