

Developing Human Resources and Establishing Organization for Generating Innovation Continuously

Guest speaker: J. Yanagisawa / Group Mgr., Nomura Research Institute, Ltd.

Nomura Research Institute (NRI) has been engaged in creating new business to materialize new society by taking ahead of the times and taking into account of future with clients since 1965. Recently we are using the words of "Dream up the future" as a corporate statement and offering services including consulting, financial IT solution, industry IT solution and IT fundamental services, to clients. Ms. Yanagisawa is now belonging NRI and is responsible for research & consulting services as a consultant with a specialty of management for innovation and resources for innovation. In the class, she wants to have communication with you and, and she will be happy if this opportunity become helpful for you to understand job of "consultant", sounds like mysterious, by sharing her experiences as "consultant" in the field of "innovation".

NRI
