

# Debate Club (Series of 6 classes)

Facilitator: M. Gecchele (ToTOTAL student)

Learn to fight for your ideas in a practical debate. You will be assigned to a debate team and argue in favor or against a recent contentious topic. The student teams will be matched against each other in a friendly competition.

You will be able to :

- Learn how to prepare a structured defense as a term
- Learn how to attack an idea without attacking the person
- Practice improvisational skills in arguments
- Practice public speaking to an audience
- Practice to trying to understand different perspectives

Although any of Tokyo Tech students, graduates or undergraduates, can apply the program, we will stop accepting applications once all the seats are taken.
