

Scenario Planning Practice (Series of 2 classes)

Facilitator: H. Arai/CEO & founder, Stylish Idea, Inc.

By learning "scenario planning" methods, students will be able to draw various patterns of future scenarios for a future with many uncertainties and acquire leadership skills to create steps forward. (Theme setting, external environment analysis, base scenario creation and analysis, scenario matrix creation and analysis, story creation) This year, after learning the concepts, we will practice scenario creation on several themes.
