

Nonviolent Communication (Series of 2 classes)

Facilitator: S. Nagata, M. Imai

Event for
"Tokyo Tech SPRING"
students

Communication skills are fundamental to the collaboration of diverse people. It is a process where people with different values and opinions understand each other and work together. However, improving communication skills is not easy. Nonviolent Communication (NVC) is attracting attention as a practical technique. By learning these methods now, you will be more confident in your future research, friendships, and ways of doing things at work.
