- Students will read books on (i) leadership development or (ii) insights on future society following a unique book club style called “Active Book Dialogue”.
- In these classes students can grasp main idea of the book quickly and discuss ideas with other students intensively.
- It can be a language training for students who would like to improve Japanese / English skills.

Although any of Tokyo Tech students, graduates or undergraduates, can apply the program, we will stop accepting applications once all the seats are taken.
