

DATE: November 20 , 2023

TO: All Students, Faculty, Staff and Others

Start of Operation of "Campus Security Center and Information Corner" on Ookayama Campus
(Notice)

As part of the renovation work around the main gate of the Ookayama Campus, the guard station at the main gate has been renovated and a new "Campus Security Center and Information Corner" has been established.

Due to relocation and other reasons, it will be operational from 13:00 on Wednesday, November 22, 2023.

Therefore, we would like to inform you of the operation as follows.

【Campus Security Center】

- The extension number (3119) will remain unchanged.
- Please be aware that vehicle entry procedures will be conducted at Campus Security Center.
(New "vehicle entrance gates" and "vehicle routes" are scheduled to be established and in operation from April 2025. Prior to this, the vehicle entrance gate bar will be moved a few meters toward Ishikawa-dai. From April 2024, vehicle entry procedures will be conducted at the Vehicle Administration Office (newly built next to the Office Building No. 5). We will inform you of this again.)
- The temporary security center will remain for the time being until some of the construction work is completed.

【Information Corner】

- "Information Corner" for visitors will be set up in the corner of Campus Security Center, and Tokyo Tech PR magazines will be available.
- The Information Corner will be open from 9:00 to 18:00 on weekdays.
(Closed at night (from 6:00 p.m. to 9:00 a.m. the next day), on Saturdays, Sundays, national holidays, summer holidays, and during the year-end and New Year holidays.)
- In principle, public relations magazines must be published by the Public Relations Division, and requests for distribution will not be accepted. Please note that posters, flyers, billboards (except for items posted by the Public Relations Section) cannot be displayed.
