Total number of years studied mentioned above As of April 1, 2024			years and months	

**Required documents:

-Graduation certificate and transcript of high school

-Certificate of university student status.

Please send this form and required documents by email to Admissions Division (Undergraduate), Student Service Department, Tokyo Institute of Technology.

Email address: nyu.gsep@jim.titech.ac.jp

- Notes:
1. Exclude kindergarten education and nursery school education.
 2. Preparatory education for university admission must be included in the secondary education.
 3. If the applicant has passed the university entrance qualification examinations, indicate this in the column with “*1.”
 4. Any school years or levels skipped should be indicated in the fourth column (Diploma or Degree Awarded, Major Subject, Skipped Years/Levels). (Example: Graduated high school in 2 years.)
 5. If you attended multiple schools at the same level of education due to change of residence or admission to a different university, then write the schools in the same column and include the number of years of study and current status for each school.
 6. Calculate and write the total number of years of education based on duration as a student. (Including extended leave such as summer vacation)
 7. You may use a separate piece of paper if the above space is insufficient. In such a case, please state clearly that the additional information is included on a separate page.
