

Announcement of Preliminary Screening successful applicants of the
Global Scientists and Engineers Program (GSEP) in April 2023

September 20

The following applicants will continue to the secondary screening process which consists of an online interview and an online examination.

A separate email will be sent to those who pass the preliminary screening on September 27 on how to proceed to the next step of your application process. If you have not received an email by the said date, kindly contact the Admissions Division.
