

Imperial-Tokyo Tech Global Fellows Programme 2019 in London

- Collaborate with fellow doctoral students in this bespoke program by Imperial College London and Tokyo Tech
- Build your professional skills and network (in London!) while earning 2 ILA course credits from Tokyo Tech
- After the programme, participate in an optional 3-week research placement with an Imperial College London lab or group

Imperial-Tokyo Tech Global Fellows Programme 2019 is a **weeklong professional program held in London** that will bring together 40 Imperial and Tokyo Tech **doctoral students from various disciplines** for lectures, discussions and collaboration around the theme of **Climate Action**, a UN Sustainable Development Goal.

Programme participants will have the opportunity to participate in a **3-week research placement** at Imperial College London after the conclusion of the Global Fellows Programme.

For more information, come to **the Briefing Session!**
