LIYSF is a two week residential event held at Imperial College London, with lectures and demonstrations from leading scientists, visits to industrial sites, research centres, scientific institutions and organisations, including world class laboratories and universities. LIYSF attracts 500 of the world’s leading young scientists aged 16–21 years old from more than 75 participating countries.

For details, please refer to [http://www.liysf.org.uk/](http://www.liysf.org.uk/)

**2. Date**

25th July, 2018 – 8th August, 2018

*The Forum will be held during the 2nd quarter. If you plan to take any courses during the 2nd quarter, please confirm with professors/lecturers for the courses whether they could allow you to miss some classes/exams.

**3. Place**

London, UK

**4. Requirements**

- Second year undergraduate student or above at TokyoTech.
- Date of birth must be after 25th July 1996.
- Have a good understanding of written and spoken English.
- Be studying science and have achieved or be in preparation for taking exam qualifications for university entrance.
- Have an interview for the internal selection (please see “10. Selection By Tokyo Tech”).
*In principle, students taking a leave of absence from Tokyo Tech are not eligible to apply. However, those wishing to apply for the program during a leave of absence may consult the International Student Exchange Division.

**5. Number of Nominees**

Approximately 5 students

**6. Fee**

Participation fee is £1,950 per student

*The fee covers the total cost of the programme over 15 days; all meals and accommodation, lectures and demonstrations, scientific visits and entrance charges, travel to all programmed events and the social programme. The fee does not cover optional sightseeing tours, theatre tickets, visa, insurance and transfer (flight) to London.

For more information, please see [http://www.liysf.org.uk/](http://www.liysf.org.uk/)
7. Application

Documents To Submit
① Application Form 1
② Application Form 2
③ Official Transcripts (for all universities attended and including your current program)
④ A copy of the official results of English language proficiency tests (such as TOEIC)

* Download ① Form 1 and ② Form 2 from the web site below.

* Incomplete documents will not be accepted.
* Documents must be on A4 paper with single-sided pages that are paper-clipped.
* Recommend to fill out the forms with PC.
* Submitted documents will not be returned.

8. Deadline

March 13th, 2018

* Please allow enough time to prepare documents as academic supervisor’s signature or seal is required.
* Application documents will not be accepted after the stated deadline.
* Please note that this deadline is earlier than that of LIYSF.

9. Place to Submit

International Student Exchange Division
(South 6th bldg. 3F 308, Mail box:S6-7)
* Submit directly or by campus-mail

10. Selection

By Tokyo Tech

An interview will be conducted on March 19th AM, 2018

11. Others

* LIYSF will make the final decision about participants after the recommendation from Tokyo Tech.
* After an applicant is accepted by LIYSF, he/she will directly communicate with LIYSF to complete the procedure.
* If you are selected for the program, you are required to:
  · Submit the written oath before departure.
  · Purchase an insurance designated by Tokyo Tech.
  · Purchase crisis management service designated by Tokyo Tech.
  · Cooperate with studying abroad events after the Forum.
