

AEARU Summer Camp 2016/Globex Julmester Call for Applications

Additional Call

1. Subject	Engineering-related subjects
2. Outline	<p>The AEARU Summer Camp 2016 is based on Globex Julmester, a global summer program hosted by the College of Engineering, Peking University. It provides participants with a study-abroad experience by allowing them to take 1-2 courses over a period of 3 weeks in July at Peking University and to get 3-6 PKU credits. The program consists of a suite of English-taught courses as well as extracurricular activities. Most courses are in engineering-related subjects. There are also courses on economics and China studies, which are open to all majors.</p> <p>* Established in 1996, the Association of East Asian Research Universities (AEARU) is a consortium that promotes exchange and cooperation activities between member universities. A total of 18 leading universities in China, Hong Kong, Japan, Korea, and Taiwan comprise AEARU.</p>
