

IDEA League Summer School Call for participant Applications

- I . Delft University of Technology/The Netherlands
II . RWTH Aachen University/Germany

Tokyo Tech students are invited to participate in Summer Schools organized by two member universities of the IDEA League (*1). Please note that after applicant interviews conducted in English, Tokyo Tech will nominate one student to participate in each Summer School, and final selection will be made by the host university. These Summer Schools are conducted for students of the IDEA League member universities, and the ASPIRE League (*2), in which Tokyo Tech is a member university, was invited to send its students as part of ongoing collaboration between the two Leagues.
