

# 2017 AEARU International Summer Institute: Call for Applications

1.Outline	<p>Seoul National University (SNU) is opening its Summer Institute (ISI) to students from AEARU* member universities. The SNU ISI is an intensive summer program taught by distinguished SNU and visiting faculty members that offers its participants the chance to learn in depth from experts on Korea and East Asia, as well as on a range of topics from the disciplines of Economics and Business Management to History, Politics, Sociology, and Arts. SNU ISI also provides courses on Korean language and traditional arts for students wishing acquire or advance their Korean language abilities while immersing themselves in Korea's contemporary and traditional culture.</p> <p>* Established in 1996, the Association of East Asian Research Universities (AEARU) is a consortium that promotes exchange and cooperation activities between member universities. A total of 18 leading universities in China, Hong Kong, Japan, Korea, and Taiwan comprise AEARU.</p>
