

Develop skills for co-creation and collaboration essential in this world of uncertainty.

The seed of leadership lies within you.

Now is the time to expand your world.

# Tokyo Tech Academy for Leadership

Discover the "seeds of leadership" within yourself and nurture the style of leadership that suits you best through interaction with fellow students from diverse disciplines.

- ✓ For students from all Schools
- ✓ Extracurricular program for a maximum of 5 years (master's-doctoral)
- ✓ Students may register only in master's degree.
