

# Scenario Planning Practice (Series of 4 classes)

Facilitator: H. Arai (CEO & founder, Stylish Idea, Inc.)

- By learning “scenario planning” methods, students will be able to draw various patterns of future scenarios for a future with many uncertainties and acquire leadership skills to create steps forward. (Theme setting, external environment analysis, base scenario creation and analysis, scenario matrix creation and analysis, story creation)
- This year, after learning the concepts, we will practice scenario creation on several themes.
