Important notes:

- You have to enter all data during a single session. Should you leave halfway through the survey, you will need to enter all your data again.
- Once you submit your data, you will NOT be able to make any revisions.
- Once you submit your data, you will receive a verification email via your university-issued email account. Please make sure to complete the survey by following the instructions provided in this email. Note that your answers will NOT be saved until you complete the entire process.
- If you do not complete this process, your data will NOT be accepted as valid. In the past, data from many participants was discarded as invalid due to a failure to complete the entire process.
 - * Please make sure to configure your spam filter settings in your university-issued email account in order to receive the verification email from the domain “@mail.benesse.co.jp”
- You are allowed to respond once to the survey. Using the same email address to make multiple submissions is not possible.
