

# Message to Students

**Look for the COVID-19 safety sticker to prevent the spread of infection!**

- Take thorough measures to prevent infection
- Refrain from going to busy shopping/entertainment districts
- Avoid eating and drinking in groups

## When Going to Eating and Drinking Establishments

**Choose a business displaying this sticker and feel safe!**

### 【To prevent the spread of COVID-19】

- Avoid eating and drinking in large groups for long periods of time. Avoid talking loudly.
- Even if the group is small, avoid eating, drinking, and talking in close proximity to each other.
- Except when eating, wear your mask at all times, especially when conversing.
- Disinfect your hands with hand sanitizer provided at business entrances, restrooms, etc.
