

# Tokyo Institute of Technology – Ookayama Campus Disaster Drill AY 2022

Date&Time: Wednesday, November 9, 2022, from 12:25-14:00  
Theme: Reconfirm evacuation routes and evacuation sites!

## ○General Drill Training (12:25~)

※This year, we will evacuate to all evacuation sites simultaneously.

1. After the announcement of the earthquake (12:25), secure personal safety.
2. When the evacuation announcement (12:27) is made, evacuate to the evacuation site and **confirm the safety of evacuees on paper.**
3. On the day of the earthquake, a separate safety confirmation will be conducted using SECOM's safety confirmation system. Please respond to the safety confirmation e-mail (admin@pa.e-kakushin.com) when you receive it.

- ※Bachelor's program students are requested to fill out the Safety Confirmation Forms available in the lecture rooms, etc., in advance and bring the form with them to the evacuation site.  
Please fill out the safety confirmation form in advance and place it in the safety confirmation box at the evacuation site. In the event of an emergency, we plan to use multiple safety confirmation methods, in case communication failures occur.
- ※The members of the Emergency Disaster Response Headquarters and the Self-Defense Disaster Prevention Area Team will conduct separate drills in accordance with the policies of each team and unit.

After safety confirmation, participate in individual training from 12:25 to 14:00.

## ○Optional Drill Training (12:25~14:00)

※Participation is optional.

1. Optional Drill Training (near the wooden deck)
  - Fire extinguisher training
  - Smoke-simulation room
  - Earthquake-simulation truck
  - Display of stockpiles of goods for emergency use
  - Distribution of disaster prevention pamphlets by the Denenchofu Police Department (for international students)
2. Emergency rations (water and cookies) will be distributed at the front of the 70th Anniversary Auditorium on a first-come, first-served basis.
  - A ticket for emergency food will be given to you when you participate in the individual training in ①. Please be sure to bring your ticket with you as it will be needed to receive emergency rations mentioned in ②.

- There will be no fire drill organized by the fire station this year.
- Tokyo Tech conducts annual disaster drills for students, faculty and staff. Please take this opportunity to practice your disaster preparedness and reinforce your disaster prevention system.
- In the event of rain, the drill will be scaled down.
