

第3回 工学院特別セミナー

3rd Special Research Seminar of School of Engineering

“Business Groups and Industrialization in Japan and Asia”

MASAO NAKAMURA

Professor, University of British Columbia

講演内容

講演では、中村教授が取り組んできた日本、およびアジアの産業化における、企業グループ（zaibatsu）と国営企業の役割と問題点を論じると共に、アジアの様々な国における企業グループのライフサイクルについても議論し、政策上の示唆を示します。日本およびアジアの産業発展の過程と課題を学び、特に新興国の今後の産業政策を考える貴重な機会を得ることができるでしょう。（報告は英語です）

This seminar will begin with the discussion of Japan's experience in economic development and the role of pyramidal business groups called zaibatsu as well as the management problems at state-owned enterprises (SOEs). A discussion of the patterns of the lifecycles of such pyramidal business groups in various countries in Asia and the West will also be given from the public policy perspectives. (Presentation will be in English)

日時 2018年3月1日（木）16:00～17:30（入場無料、予約不要）

会場 東京工業大学 大岡山キャンパス 西9号館 5階 508号室

March, 1st, 2018, 16:00 – 17:30 West 9 Building, 5th floor, Room 508
