

Tokyo Institute of Technology International Graduate Program(B)
Commencing in September 2017 Overseas Application
【Doctoral Program at Tokyo Institute of Technology–RIKEN International School】

List of Academic Supervisors (2017–2019)

Course Name: Nano-materials and Nano-biomaterials

Name of Academic Supervisor (Tokyo Tech)	Name of Academic Supervisor (RIKEN)	KEY WORD/Field of Research
Prof. Masahiko Hara	Dr. Yousoo Kim	Self-Assembly, Scanning Probe Microscopy, Single Molecular Detection
Prof. Munetaka Akita	Dr. Zhaomin Hou	Nanomaterials Science and Engineering
Prof. Yutaka Majima	Dr. Yousoo Kim	Nanomaterials, Micro/Nanodevices, Scanning Probe Microscopy
Associate Prof. Takeharu Tsuge	Dr. Hideki Abe	Nanomaterials Science and Engineering
Associate Prof. Tomohiro Hayashi	Dr. Norihiko Hayazawa	Nanomaterials, Nanophotonics, Biointerface

Notes:

If you are interested in studying under other academic supervisors who are not listed above, please indicate their names in the Contact Form. Please understand that it might not be possible to fulfill your request
