

Doctoral Academic Overseas Training for AY2024

1. Overseas Training setting

You need to arrange by yourself to participate in overseas training, for example, conducting practical research training at an overseas university, research institution, or an equivalent one for two weeks or more under the guidance of your professor (Lab.'s "*Sensei*").

2. Application to Doctoral Academic Overseas Training

Fill out the application form for Doctoral Academic Overseas Training and submit it to the CEE-Car Office.

3. CEE-Car's approval

The CEE-Car Committee examines your application. After the committee approves it, the CEE-Car Office directly informs you.

4. Career Development Course Registration

Once you receive notification from the CEE-Car office that your application has been approved, you need to register for **Doctoral Academic Overseas Training (LAC.A635/ENT.A635)** via “教務 Web システム (Web system for Students & Faculty)” in the Tokyo Tech Portal, in the same way as do for the other course registration.

5. Overseas Training

6. After the training

The training report must be submitted to the CEE-Car Office within two weeks after the training ends. The credit and wage will be paid after all the procedure is completed.
