AEARU Activity Proposal for 2017

Title

6th AEARU Student Physical Competition

Date and Time

November 2-4, 2017

Venue

Seoul National University, PyeongChang Campus

Host

Seoul National University

Outline and Purpose

The Association of East Asian Research Universities (AEARU) Student Physical Competition is one of the organization's most exciting events, and is exclusively targeted at students from member universities. It would be a great honor for Seoul National University (SNU) to host the 6th Student Physical Competition.

The 2018 Olympic Winter Games will be held in PyeongChang, where SNU also has a campus. We would like to invite AEARU students to experience the city prior to the Olympics in February 2018. Participants will be able to enjoy several events, including a tour of the PyeongChang Olympic facilities with the cooperation of the PyeongChang Organizing Committee.

The main event will be race walking (approximately 10km) where students can experience Korea's wonderful fall and traditional temples. Students will also attend workshop on the mission and goals of Olympic Games. We would like to invite students to participate in this exciting experience and competition.
