

## Overseas travel insurance for international education programs

Tokyo Institute of Technology requests students who will participate in international education programs to purchase overseas travel insurance of AIG General Insurance Company, Ltd. Please contact the program office how you apply for insurance. For other inquiries, please follow the contact list indicated below.

By applying for insurance, you will automatically apply for the risk and crisis management service of Japan IR&C Corporation at university expense.

### 【Overview of the Overseas Travel Insurance (AIG General Insurance Company, Ltd.)】

Injury Death	In cases where, in the course of overseas travel, the insured sustains an injury resulting directly in the loss of life.
Injury Permanent Disability	In cases where the insured sustains an injury during the course of travel and, as a direct result, develops a physical impediment.
Medical & Rescuer's Expenses	In cases where, in the course of travel, the insured sustains an injury and, as a direct result, finds it necessary to get treatment by a doctor of medicine. In cases where, in the course of travel, the insured gets treatment by a doctor of medicine, as a result of falling under any of the illnesses. In cases where, in the course of travel, the insured is hospitalized for some days and the relatives go there as rescuers.
Sickness Death	In cases where in the course of overseas travel, the insured dies as a result of an illness.
Liability For Students	In cases where, as a result of a fortuitous accident during the course of travel, the insured is held legally liable for damages by giving a bodily injury to a third party.
Household movables belonging to students overseas	In cases where, baggage or any other objects of insurance is lost, as a result of a fortuitous accident caused during the insured's course of travel.
Checked Baggage Delay	Baggage deposited with an airplane company fails to arrive at the destination within 6 hours of the arrival of an airplane boarded by the insured as a passenger and the passenger is obliged to purchase clothes, daily necessities, and other personal effects which cannot be dispensed with. Such insurance claims mean insurance claims for expenses due to delay, etc. of deposited baggage.
Flight Delay Expense	<p>① The insured fails to board an alternative aircraft within 6 hours of the scheduled departure time (meaning the time of landing when a change is made in the landing place) due to the delay in departure of 6 hours and more or the suspension or cancellation of flight of an aircraft which the insured was scheduled to board, or inadequacy in the handling of business at boarding counters, or a change in the destination of the boarded aircraft.</p> <p>② Due to the delay, etc. of the boarded aircraft, the insured fails to take the scheduled connecting flight and is unable to board an alternative aircraft within 6 hours of the scheduled time of landing at the connecting airport.</p> <p>The term means insurance claims for expenses due to delayed departure, cancellation of flight or inability to board and also insurance claims for expenses due to delayed connection.</p>
