Notification: Occurrence of Coronavirus at Tokyo Tech

We have learned that a Tokyo Tech faculty member in his/her over 65 tested positive for COVID-19. He/She has not visited the Institute's premises since October 2, Friday, and currently is under medical treatment.

We kindly ask for your understanding in respecting the right and privacy of the staff and his/her family.

Tokyo Tech will continue efforts to maintain safety and peace of mind at the Institute and in the local community.

For inquiries on this matter, please contact:

Public Relations Section, Office of Public Engagement
