

# Age Distribution of Faculty Members

As of October 1, 2023

Faculty members employed as regular staff

- Under 40 years 26.6%
- 40-49 years 28.5%
- 50 years and older 44.9%

Tokyo Tech has set a long-term goal of increasing the ratio of young faculty (under 40 years of age) to over 30% and makes efforts to ensure that faculty members are distributed evenly across all age groups.
