# Students' Annual Medical Checkup 2021

The Health Support Center will not carry out some examination items this year in order to take preventive measures against Covid-19. We appreciate your understanding and cooperation in following the important notices below for a safe medical checkup for all students.

1. Do not come to take the medical checkup if :
  - ① You are advised to stay home based on the measures taken against Covid-19 on campus.
  - ② You have symptoms like fever (body temperature higher than 37.5°C) or cough.
  - ③ Body are suspected of Covid-10 infection or/and instructed by the public health center as a person with close contact with a contagious person, etc.
2. Body temperature will be taken from ALL students before reception.  
You will not be able to take the medical checkup if your body temperature is higher than 37.5°C.
3. MUST wear a mask at the medical checkup.
4. Keep a social distance of at least 1m between yourself and others at the medical checkup.
5. For newly enrolled bachelor's students, newly enrolled master and doctoral students (M1/D1), chest x-ray gowns will not be available this year for preventive measures. Students must wear or bring a plain T-shirt for chest x-ray. (DO NOT wear clothes with buttons)
