Information on Nearby Clinics / Hospitals

2024. 7~

Please note the following:

- Check the medical facility's website in advance to make sure the office hours have not changed.
- Be sure to take your body temperature before your visit.
- **If you have cold symptoms or a fever, do not visit the clinic/hospital directly, but call the facility first for consultation.**
- If you have an underlying medical condition, call your personal physician first.
- Bring your national health insurance card with you.
- Wear a mask.
