

【Important】 Students' Annual Medical Checkup 2023

In 2023, we are planning to take preventive measures against the new coronavirus infection and conduct medical checkup.

We appreciate your understanding and cooperation in following the important notices below for a safe medical checkup for all students.

1. Do not come to take the medical checkup if :

- ① You are advised to stay home based on the measures taken against COVID-19 on campus.
- ② You have symptoms like fever (body temperature higher than 37.5°C) or cough.
- ③ You are/have
 - a positive patient in isolation/ a close contact in quarantine.
 - someone living in the same household who is sick or undergoing a PCR test.

2. Body temperature will be taken from ALL students before reception.
You will not be able to take the medical checkup if your body temperature is higher than 37.5°C.
3. MUST wear a non-woven (fabric) mask at the medical checkup.
4. Please use alcohol hand sanitizer or wash your hands at the reception desk and at the end of the medical checkup.
5. Keep an appropriate distance, refrain from talking to others.
6. Chest x-ray gowns will not be available for preventive measures.
Students must wear or bring a plain T-shirt for chest x-ray.
(DO NOT wear clothes with buttons)
