**For Student**

※For faculty/staff, see the next page.

[See p.3] <https://www.titech.ac.jp/english/student/pdf/certificates-submitting-forms-current-covid-19-response-manual-e.pdf>

**Confirm the day you can resume activities on campus.**

**Isolation Period**

**Isolation Period (Shortened Ver.)**

## ●Stay away period ( Isolation period)

Stay away from campus for 7 days after the sample was collected (Day 0).

※If you develop symptoms later, you must stay away from campus for 7 days from the day after your first day of symptoms and until 24 hours have passed since your symptoms were resolved.

## ●If you wish to shorten your stay away period

You can end their stay-away period on the sixth day, if they meet all the test requirements listed below and test negative on the fifth day.

- ①Use the antigen-test kits that are approved (for diagnosis/medical treatment) under the Pharmaceutical Affairs Law.
- ②Use qualitative antigen test kits (nasopharyngeal or nasal swab).
- ③Continue to monitor your health and take other measures to prevent infection **for 7 days** from the day after your sample was collected.

## ●Circle / Club

※ If you have participated in circle/club anytime beginning **2 days** before the sample was collected, report the representative or contact person about your current situation.

## ●Household infection prevention <https://www.mhlw.go.jp/content/household.pdf>

※If you live in Tokyo Tech dormitory, report the Student Support Division ([gak.sei@jim.titech.ac.jp](mailto:gak.sei@jim.titech.ac.jp)) and the dorm manager.

## ● If a family member living with you tests positive

Since the virus remains in the household, it is encouraged to take precautions such as wear a mask, disinfect hands and shared items at home and also in public.

## ●Authorized absence

If you miss classes due to your isolation, see the URL below to apply for authorized absences:

<https://www.titech.ac.jp/student/pdf/certificates-submitting-forms-current-koketsu-covid-19-toriatsukai.pdf>

## ●Close Contact

Tell the people with whom you have been in close contact **anytime beginning 2 days before** the sample was collected.

See the URL below to determine “Close Contact” : <https://www.titech.ac.jp/covid-19/pdf/214-tokyotech-covid-19-manual4-220613.pdf>

If the “Close Contact” is a Tokyo Tech member, tell them to check the URL (p.4) below:
