

**【Graduate School Guidance Q & A】 (English)**

**Q 1 : I see the guide of IGPC is for 2020 Fall, can it be used to 2021 April?**

A: Yes, it can be used for 2021 April as well.

**Q 2 : Can I take courses from a different school or faculty from the one selected in my major?**

A: Regulations on taking courses from other schools or faculty depend on the Course that you belong to, so please can you have a look at the Guide below, and then discuss with your supervisor (academic advisor) for further details.

“Guide to Graduate Education and International Graduate Program”

**Q 3 : Thank you for the concise orientation. Where can we know the date and time of the orientations for each graduate major school?**

A: This schedule below includes all the dates and timings of the orientations held in April, 2021. It would help you organize the orientations you may want to attend.

**Q 4 : I have some questions regarding course registration. Can I do walk-ins to Student Life Coach office for the help?**

A: Yes, you can.

**Q 5 : Is our student ID card in the laboratory if we are not in Japan? How can we get it?**

A: Your academic advisor will contact you about how to hand over your student ID card, so please wait.

**Q 6 : Thank you very much for the talk. May I ask what will be the arrangement for the payment of tuition fee for overseas students who are still not able to enter Japan? Thank you.**

A: It would be possible to pay the tuition fee via bank transfer from overseas if you are based outside Japan at the moment, however we do not recommend this mean of payment because it might cost you transferring fees.

This website of Tokyo Tech below would help you as to how to pay your tuition fees.

Please feel free to contact, “Revenue Group, Accounting Division” at Administration Office Building No.1 (on the 1<sup>st</sup> floor) or simply email the Division onto [kei.syu@jim.titech.ac.jp](mailto:kei.syu@jim.titech.ac.jp) for further queries.

**Q 7 : Thank you for your presentation. For those who cannot enter to Japan due to the VISA issuance, would some procedures that have to be done by new students be postponed?**

A: At the moment, it is not certain when the restriction for entering Japan will be lifted up, so we recommend you to prepare all the documents you need to enter Japan. Please can you also bring a photocopy of your passport with you since it will be necessary when processing your documents. The Student Life Support Division will help you with the procedure according to your particular circumstances, so please do contact the Division via e-mail: [gak.sei@jim.titech.ac.jp](mailto:gak.sei@jim.titech.ac.jp)

**Q 8 : “特別専門学修プログラム” don't offer the degree, right?**

A: Yes, you are right. It does not offer the degree.
