Non-degree students

Date:

Statement of reasons for non-degree studies

Name:

① My reasons for wanting to study at Tokyo Tech

② Planned studies at Tokyo Tech

③ **Future plans (after studies at Tokyo Tech)**

Write a statement of around 110 words for ①.

Include information about previous study of subjects related to courses you are planning to take (e.g., duration of relevant programs and your grades). List texts and materials if you learned that subject other than at school or university.

Using another piece of paper is acceptable if your essay does not fit in this form.
