- * You can register graduate courses through the Web System for Students and Faculty.

Log in to the Tokyo Tech Portal and access the Web System: ⇒<https://portal.titech.ac.jp/portal-e.pl>

- * Complete the registration process even if you do not have any courses to register through the semester. If this is the case, click Course Registration→Verify→go on to registration→register

- * Course registration period for 3Q and 4Q

Tuesday, September 28 at 9:00 – Thursday, October 14 at 13:00

【Important】

- Course registration must be completed on the Web System at least two days before the course starts, so that the relevant course instructor can notify registrants of Zoom links to remote lectures in advance. By saving a draft registration (clicking “temporary save”) on the Web System, you will be temporarily included in the registrant list for each course. However, if you do not complete registration by the deadline (October. 14 at 13:00), you will be excluded from the registrant list.

On the first day of the application period, there are time slots prioritized for processing information entered by undergraduate and graduate students.

Undergraduate courses : Tuesday, September 28, 9:00 – 14:00

Graduate courses : Tuesday, September 28, 14:00 – 19:00

※Other than priority times, both undergraduate and graduate students can register their courses during course registration period.

- We recommend that you complete the registration process by Wednesday, October. 13, as the Web System will be congested just before the deadline. Unfinished registrations saved as drafts will be deleted after the stated deadline.
- After completing the registration process, you may request to change course(s) during the registration period if necessary. If this is the case, notify us by physically visiting the Web System Help Desk on campus or by sending an email **no later than 17:00 on Thursday, October 13**, and we will change your registration status to unfinished, and save it as a draft on the Web System.

1. Use your Tokyo Tech email address (ending with “@m.titech.ac.jp”) to contact us. Emails from other address will not be accepted.
2. Send the email to kyomu.web@jim.titech.ac.jp.
3. Write “[Change course registration]” and your student ID no. in the subject line of the email.
4. Include your name and student ID no. in the main text. You should also state that you would like to change your course registration.

- * Course instructors may disapprove registrations for certain reasons. In such cases, instructors will update the registration data on the Web System during the following periods in the fall semester.

3Q courses: Thursday, October 14 17:00 – Wednesday, December 1 at 23:59

4Q courses: Thursday, October 14 17:00 – Saturday, February 12, at 23:59
