- \* Course registration period for 3Q and 4Q

Tuesday, October 1 at 9:00 – Thursday, October 17 at 13:00
--

### 【Important】

- **Course registration must be completed on the Web System at least two days before the course starts**, so that the relevant course instructor can notify registrants of Zoom links to remote lectures in advance. By saving a draft registration (clicking “temporary save”) on the Web System, you will be temporarily included in the registrant list for each course. However, if you do not complete registration by the deadline (October 17 at 13:00), you will be excluded from the registrant list.

On the first day of the application period, there are time slots prioritized for processing information entered by undergraduate and graduate students.

Undergraduate courses : Tuesday, October 1, 9:00 – 14:00

Graduate courses : Tuesday, October 1, 14:00 – 19:00

※Other than priority times, both undergraduate and graduate students can register their courses during course registration period.

- We recommend that you complete the registration process by Wednesday, October 16, as the Web System will be congested just before the deadline.
- After completing the registration process, you may change course(s) during the registration period. To do so, click the "Unlock for Course Registration" button on the right side of "Status" at the top of the registration page of "Kyomu-web".

**It must be done by 23:59 on Wednesday October16.**

- \* Course instructors may disapprove registrations for certain reasons. In such cases, instructors will update the registration data on the Web System during the following periods in the Spring semester.

3Q courses: Thursday, October 17 15:00 – Wednesday, December 4 23:59
--

4Q courses: Thursday, October 17 15:00 – Monday, February 10 23:59

- \* Procedures for canceling or adding courses for the AY 2024 Fall Semester are explained in Table 1 below (Schedules and details of course addition and cancellation). Be sure to read through the instructions and complete necessary procedures by each deadline.

- \* For completion requirements of graduate degree programs (e.g., required course credits), please refer to the Graduate School Study Guide published for your year of admission.
