## Payment Method

### 1. Via Automatic Tuition Payment

**Due Date: Tuesday, May 27, 2025**

Important: Please make sure that there are sufficient funds in the account by the preceding business day.

#### Account registration for automatic tuition payment

Access the Institute of Science Tokyo Registration Page for Automatic Payment of Tuition from your PC, smartphone, etc.

[https://srv5.asp-bridge.net/titech/top\\_chg/](https://srv5.asp-bridge.net/titech/top_chg/)

**The deadline for completion of registration is Friday, April 25, 2025.**

Once the account is registered, your tuition will be automatically debited on the due dates throughout your enrollment at Science Tokyo.

Please note that if you wish to register an account in a company name, you need to submit a paper/hard copy of the "Request for Bank Transfer of Tuition Fees" form.

Request for Bank Transfer of Tuition Fees forms are available at the following locations.

Revenue Group, Accounting Division (Centennial Hall Building, Floor 4) at Okayama Campus

Suzukakedai Procurement Management Group, Suzukakedai Accounting Division (J2 Building, Floor 4) at Suzukakedai Campus

**The submission deadline for Request for Bank Transfer of Tuition Fees forms is Thursday, April 10, 2025.**

Note: For students enrolling from the spring semester of this academic year who have paid for different programs via bank transfer before, the fee will be deducted from the same bank account.

## 2. Via Japan Post Bank

**Due Date: Saturday, May 31, 2025**

**Students applying for exemption from tuition should wait for their screening results.**

Remittance fees are the responsibility of the remitter.

Students unable to complete bank account registration in time for this semester for unavoidable reasons may make a payment through the Japan Post Bank using the designated payment slip that will be issued on or after Tuesday, May 13 at one of the following offices.

Revenue Group, Accounting Division (Centennial Hall Building, Floor 4) at Ookayama Campus
