

ACTIVITIES' REPORT/REVIEW (FROM OCTOBER 2024)

AEARU Winter Abroad at Yonsei Program 2024-2025, Yonsei University

1. Program Introduction

During the 2024-2025 Winter Abroad at Yonsei, Yonsei University hosted a dynamic 3-week winter program at the Sinchon campus, welcoming approximately 1,260 international students from 34 countries worldwide. The program emphasized academic excellence through a diverse range of courses and provided ample opportunities to explore Seoul and immerse oneself in Korean culture, including activities such as the DMZ tour, skiing trips, and Korean cooking classes.

The program offered an exceptional chance to advance the participants' scholarly pursuits, with opportunities to interact with esteemed professors, and forge connections with fellow participants from across the globe.

Yonsei's main campus is nestled in a scenic and spacious natural environment, just moments away from Seoul's bustling economic, political, and cultural hubs. With over 6,700 distinguished faculty members leading groundbreaking research in various fields, 20 graduate schools, 28 colleges, and 175 research institutes, Yonsei University attracts a highly accomplished and diverse student body from around the world.
