

# IDEA League Summer School 2023

## Call for Participants

Tokyo Tech students are invited to participate in summer schools organized by IDEA League. These summer schools are conducted for students of the IDEA League member universities. The ASPIRE League, of which Tokyo Tech is a member university, was invited to send its students as part of ongoing collaboration between the two leagues. This year, the following summer schools are offered.

### I. TU Delft / Politecnico di Milano <Dates: 28 Aug- 1 Sep>

7. Inquiries International Engagement Division

Email: [aspiretokyotech@jim.titech.ac.jp](mailto:aspiretokyotech@jim.titech.ac.jp)

8. Selection Nominations will be based on document screening and **online interviews, which will be held on either June 1 (9:00-10:30am).**

\*Please note that the date and time cannot be changed.

Please note that after the nomination from Tokyo Tech, the final selection will be made by the host university.

9. Notes

(1) If nominated by us for this Summer School program, you will have to

- Complete your final Online application through IDEA League Website by **June 12, 2023.**

IDEA League registration website (sirop) : <https://sirop.org/app/register>

- Submit your completion report to our group after participating this summer school.

(2) All Tokyo Tech Students traveling abroad must submit an overseas travel notice (海外渡航届), and a departure notice (出発届) without exception.

These procedures basically asked to complete through *Tokyo Tech Application Submission System (T2APPs)*. If you are not able to complete the submission on T2APPs, please consult Tokyo Tech Student Division to submit the documents.

Please refer the following URL.

<https://www.titech.ac.jp/english/international-student-exchange/students/abroad/procedures>

(3) The student must purchase overseas travel insurance specified by Tokyo Tech (coverage must be at least 30 million yen for medical treatment and rescue expenses and at least 100 million yen for personal liability).

(4) After returning to their home country, you must cooperate in study abroad debriefing sessions and study abroad fairs if you are asked to.

(5) International students

International students may be required to obtain a visa.

After receiving a notification of nomination from Tokyo Tech, you should immediately contact the Embassy of respective country (the Netherlands / Germany) in Japan to find out if you need to apply for a visa.

If a visa is required, you must apply for the visa yourself.

Please understand that you will not be able to participate in this program if you cannot obtain a visa in time for your departure date.
