

Announcement & Call for Presentations The 6th Energy and Environmental Workshop: Next generation solar cells as a solution to energy challenges

Introduction

Recent environmental changes surrounding the issue of energy supply — the shale oil revolution, nuclear power safety concerns, the landslide in the cost of solar cells, the dangerous increase in CO₂ emissions, and severe natural disasters due to global warming, among others — are causing countries that rely on imported energy to rethink their energy portfolios and to view them as a crucial aspect of national strategies to support stable prosperity. As Asia is expected to lead the world in the 21st century, it is important for Asian countries like ours to support the future of society by addressing energy issues and offering measures for continuous development that are in harmony with the environment. AEARU, the consortium of leading research universities in Asia, is obligated to offer innovative new solutions to energy and environmental issues in order to contribute to sustainable development, and this workshop offers a valuable opportunity for such a discussion.

Topics

With consideration of recent developments and issues regarding energy-related technologies, the workshop is intended to promote discussion of the impact of such technologies on sustainable social development and the natural environment. We will discuss solar cell-related technology, and particularly, next generation solar cells, which allow the utilization of sunlight to create energy for a sustainable world.

Venue

Multi-Purpose Digital Hall, Tokyo Institute of Technology

Registration and submission of abstract

Those who would like to participate in the workshop are required to submit the completed form by email to **aearu.workshop@jim.titech.ac.jp** no later than Monday, May 16.

Preparation and submission of proceedings manuscripts

The template for proceedings would be sent upon notification of presenters. Proceedings manuscripts must be submitted by July 11.

Important Dates

May 16, 2016 Submission deadline for registration form and abstracts

June 3, 2016 Notification of acceptance

July 11, 2016 Submission deadline for proceedings manuscripts

August 26-27, 2016 6th AEARU Energy and Environmental Workshop

Financial Support

Tokyo Tech will provide accommodations for two nights, as well as meals and local transportation between Tokyo Tech and the hotel during the workshop, for up to 10 professors and 14 students from AEARU member universities.

Poster Award

The organizing committee will recognize the best poster presentation with the Poster Award.

Program

August 26: (at Ookayama Campus)

Talks by invited speakers and Professors from AEARU Member universities

August 27: (at Suzukakedai Campus)

Poster Session and Lab Tour

Organizing Committee

Professor Yuji Wada

Professor Ryoji Kanno

Professor Ikuyoshi Tomita

Assistant Professor Shuntaro Tsubaki

(Department of Chemical Science and Engineering, School of Materials and Chemical Technology, Tokyo Institute of Technology)

Program for the 6th AEARU Energy and Environmental Workshop

August 26-27, 2016 Tokyo Institute of Technology (Tentative Program)

Date	Time	Program	Venue
August 25		Arrival	
Thursday		Hotel Check-in	
		Welcome Dinner	TBD
August 26	08:30	Bus departure from the hotel to Ookayama	
Friday		Campus	
	09:00-09:20	Registration	
	09:20-09:30	Opening Remarks	Multi-purpose Digital
		Dr. Yoshinao MISHIMA, President, Tokyo	Hall
		Tech	
	09:30-10:30	Keynote Address	
	(1 hour)	60min×1 (Invited Speaker)	
	10:30-10:45	Break	Foyer
	10:45-12:15	Session 1	Multi-purpose Digital
	(1h30min)	30min×1 (Guest Speaker from Nanyang	Hall
		Technological University)	
		30min×2 (AEARU Member Universities)	
	12:15-13:15	Lunch	Collaboration Room
	13:15-15:15	Session 2	Multi-purpose Digital
	(2h)	30min×4 (AEARU Member Universities)	Hall
	15:15-15:30	Break	Foyer
	15:30-17:30	Session 3	Multi-purpose Digital
	(2h)	30min×4 (AEARU Member Universities)	Hall
	17:45-19:45	Reception	Royal Blue Hall
	19:50	Bus departure to the hotel	
August 27	9:00	Bus departure from the hotel to	
Saturday		Suzukakedai Campus	
	10:00-10:50	Poster session	Lounge
	11:00-12:00	Lab tour	
	12:00-12:15	Poster Award Ceremony and	Lounge
		Closing Remarks	
		Prof. Yuji WADA	
	12:15-13:30	Lunch	TBD
	13:40	Bus departure to the hotel
