Abstract This electronic template provides authors with the specification for formatting the papers of their oral presentations and the guideline for the submission. Please do not alter the margins (this section should not exceed 100 words).

Keywords Culture; Transmission; Preservation; Applications; Sharing (up to five keywords)

I. INTRODUCTION

The University of Tsukuba will host a conference targeted specifically at young researchers (undergraduates are also welcome) from AEARU member universities with an opportunity to present their latest research reports and studies on peoples and cultures of East Asia.

The conference will be held under the theme of “Transmission, Preservation and Applications of Culture in the East Asian Region”. In East Asia, cultures have been generated, transmitted and shared in the course of history. Culture rooted in each region is fused, integrated, and shared – developing its own uniqueness while maintaining some common characteristics. Appreciation of cultural diversity and similarity in the East Asian region can lead to deeper understanding of the values of people and society that can build mutual respect and friendship. Culture brings joy and enriches the lives of people; thereby culture has the power to stimulate society.

We trust that this conference can serve as an opportunity to establish future collaboration in these subject fields among young researchers in the East Asian region through the intellectual exchange of research reports and studies.

II. FORMAT OF PAPERS

All papers of the papers will be compiled into a booklet and distributed to the participants in the workshop. We ask the presenter to submit the paper (do not include any patented information) until the due date shown below. All papers must be written in English and should be two pages (A4 paper size of this template). Use the Times Roman or Times New Roman

fonts of 11 points size. Please follow the format of this template. Margins, column widths, line spacing, and type styles are built-in. You may insert two-column equations, tables, and figures, but you must not change the margins.

III. SUBMISSION OF PAPERS

A. Application for Oral Presentation

Those who want to participate in the conference are required to submit a maximum 2-page paper. The submitted papers will be selected by the organizing committee members at the University of Tsukuba. The authors of the selected papers will be given the opportunity to deliver oral presentations. A poster presentation session will be held in case the number of applicants exceeds the limit of oral presenters.

The paper should be prepared in the specified template and e-mailed directly by the author to global@un.tsukuba.ac.jp by July 31, 2015. Student participants are required to obtain permission for application from their supervisors whose names and email addresses should be provided. All inquiries can be sent to the same e-mail address as well. When you email us, please indicate “AEARU-YRIC 2015” in the subject field.

B. Notification of Acceptance

We accept at most one presentation per author, although he/she may coauthor multiple papers. Notification of acceptance will be sent to presenters on August 5, 2015. Accepted authors are then requested to submit the camera-ready paper using the same template by August 20, 2015.

REFERENCES

A list of all references shall be put in alphabetical order at the end, which should be cited in the text with numbers in square brackets as, for example, [1]:
