Certification letter 7. Proposal/study plan and self-introduction	All international students should apply for a student visa (long term-X1 or short term-X2) to enter China. - X1 visa is generally issued for a student planning to study for over six months, which is valid for 30 days after entering in China. Before the visa expires, the holder must apply for a Residence Permit, which is valid for multiple entries. - X2 visa is generally issued for a student who is going to study for less than six months. Usually the visa is valid for one time of entrance. It is important to keep aware of the expiration date of the visa. Staying with an expired visa is a violation of the law. The violator will be fined (500 RMB Yuan per day), be detained for investigation, and/or be deported.	YES, Recommended	1. After nominated by the Home institution, the applicants need to accomplish on-line application procedures by filling information and submitting. 2. Admission Notice(can be used for Visa application) will be issued.	Waived	Acceptance depends on the Covid-19 situation in 2022.	Relevant immigration policies shall be subject to the conditions at the time of entry.
