What's great in TokyoTech

- Support system
- Supportive supervisor
- Flexibility
- International

Make a time schedule about your study and research.

- Make sure you'll get enough credits before graduate and leave enough time for your research.
- PhD students: liberal arts courses Vs. Japanese language and culture courses

or google “東工大日本語セクション”

Research plan

Take into account the affect of COVID19 when you make your research plan.

- Experiment: online, recruit agent ...
- Application for ethics review
- Take into account about your career planning when make the plan.

Work-life balance

If your lab based in Suzukakedai...

- Nothing in Suzukakedai!
- Rent an apartment near Suzukakedai, not convenient for people who want to enjoy life in Japan.
- If you want to stay in Tokyo, it takes time to go to lab.

Or google “東工大 住まい”

- Working to stay connected.
- Work-life balance.
- Ask for help and accept help.

(学生支援課生活支援グループ Email :gak.sei@jim.titech.ac.jp)

- Have meeting with your supervisor regularly.
- Be kind to yourself.

Message to new students

Although my research (as well as graduation) is severely impacted by the pandemic, I enjoy my study in TokyoTech. Hope you can enjoy your life in TokyoTech and Japan!
